Affiliate Testimonials

Testimonials from Resident Business Affiliates

"I have been an insurance agent for 32 years and one of my best decisions was to partner with One Senior Place. Since my start at OSP in March 2012, soon after it opened, my business revenue has increased over 400%, or an average compounding increase of over 14% a year. From the very beginning, I have consistently had over a 4 to 1 return on the money I spent on OSP. The reason for this success is the incredible relationships with the other businesses, and the amazing marketing efforts of the OSP management and staff. We all help each other by promoting the other businesses of OSP, and we often end up having the same clients. Without OSP I would have still had a good career, but without a doubt OSP has helped me become one of the top agents in Central Florida."

- Joseph Santiago, Medicare Plan Options

"I wanted to express my appreciation for all that you and your excellent staff did to make the first event of the season a great success. I was able to make on site sales as well as fill my schedule for appointments for the next couple weeks. The level of professionalism and the quality of the program was second to none. It is a pleasure to be associated as a resident business in One Senior Place with a group of professionals so interested in helping others and benefiting the community. I also want to acknowledge the extra efforts of Kathi, Audrey, Renee and Barb that each went out of their way to make this event a success. Thanks to all!"

- Mike Kowalchuk, Viera Insurance Professionals

"We have been a proud resident business at One Senior Place for over 3 years. One Senior Place is a wonderful and unique venue that brings together professionals within different backgrounds in healthcare and non- healthcare to come together, network and add value to our local community and its seniors. The management team here at One Senior Place includes Don, and Chris, vision leaders who recognize the tremendous value of bringing resources together, networking, and helping the seniors in our community. The front desk staff to include Katelyn and Vanessa are always courteous, accommodating, and professional while working with resident businesses and all guests that walk in. If you are looking to find resources within our local healthcare community, then you must stop by One Senior Place today!"

- Ignacio Quiñones, North Star Senior Advisors

"...The event brought over 50 people to enjoy three hours of tasting fine cuisine, learning about our beautiful community and meeting members of our executive staff and marketing. Twenty-six guests that attended this event have made reservations for a lunch tour. This event was a huge success and helps the community learn about Independent Living and all it has to offer."

- Joanne McKruit, Courtenay Springs Village
